

T-HANGAR PRE-LEASE
LETTER OF INTENT

It is my intention to lease a new T-hangar unit at the Stafford Regional Airport when the Stafford Regional Airport Authority builds them. I understand that this project is in development, I understand that this project is subject to funding appropriations and weather.

I understand that once the Airport Authority approves this project **and construction is substantially completed** I will be responsible to provide the Airport Authority with a deposit of \$450. I understand that I will be charged a \$100.00 processing fee if I do not notify the Airport Authority's designated representative, in writing, prior to issuance of occupancy, of my intention not to lease the T-hangar unit. Stafford Regional Airport Authority will refund my deposit in full if I provide written notice not to lease as required, or the authority, in its sole discretion, decides not build the project.
