RFP 2-2019

**“Stafford Regional Airport Solicitation of Aircraft
Maintenance Services (AMS)”**

Addendum 1

The following Sections are added to the original document

3.0 CRITERIA FOR PROPOSAL EVALUATION

The criteria to be utilized in the evaluation of qualifications for ranking purposes are as follows. Individual criteria may be assigned different weights at the Stafford Regional Airport Authority (SRAA) discretion.

1. Strength of business plan and qualifications of personnel to assume management and supervisory positions
2. Financial fitness
3. Proposed level of insurance protection for the company and the SRAA
4. References

4.0 AWARD PROCEDURES

A selection committee shall review the proposals submitted. After each proposal has been evaluated on the basis of the AMS approach to meeting the SRAA needs, short listing procedures will narrow the list of candidates to the two or more best qualified candidates.

Negotiations shall then be conducted beginning with the FBO(s) ranked first. If a contract satisfactory and advantageous to the SRAA can be negotiated at a price considered fair and reasonable, the award shall be made to that Responder.

The SRAA reserves the right to reject any or all proposals submitted, and to waive any informality in the proposals. In addition, the SRAA reserves the right to modify or otherwise vary the terms and conditions of the RFP at any time, including but not limited to, deadlines for submission, schedules and proposal requirements. The right is also reserved to award the contract where it appears to be in the best interest of the SRAA.

All other specifications remain the same.
